

BRIEF DIRECTIONS FOR THE POLICYHOLDERS AND BENEFICIARIES FROM ABROAD **CERTASIG SITUATION**

The Financial Supervisory Authority (ASF) has disposed through the Decision no. 209/20.02.2020 the withdrawal of the authorization and the initiation of the winding-up proceedings for the undertaking CERTASIG - Societate de Asigurare și Reasigurare - S.A., following the ascertainment of the insurer's insolvency, according to the Law no. 85/2014 on insolvency prevention procedures and on insolvency procedure, with subsequent amendments and completions.

According to the Romanian law, the opening of the winding up-proceedings is requested by ASF to the Court, that shall decide on it (for the timetable please see last page).

WHAT KIND OF PROTECTION FOR CONSUMERS IS AVAILABLE IN THIS SITUATION?

In order to protect the consumers of insurance products and services, in Romania there is the Policyholders Guarantee Fund (FGA), as insurance guarantee scheme in the insurance area. FGA aims to protect the insurance creditors against the consequences of insolvency of an insurer in winding-up proceedings. The main destination of the amounts available for FGA is the payment to the insurance creditors of the indemnities/compensations resulting from the voluntary and compulsory insurance contracts concluded according to the law and of the premiums due by the insurer for the period in which the risk was not covered by it, as a result of the termination of the insurance contracts, in compliance with the guarantee threshold provided by the law (450,000 lei/ insurance creditor, approximately 100.000 Euro pending of the official currency exchange rate).

WHO IS AN INSURANCE CREDITOR?

- insured person – the person who has concluded an insurance contract,
- insurance beneficiary – third person to whom the insurer is expected to pay the amounts due as a result of the occurrence of the ensured risk, as provided in the insurance contract.
- injured party (in the case of liability insurance) – the person entitled to receive compensations for the loss suffered due to the occurrence of a risk covered by a liability insurance contract.

HOW DOES FGA INTENDS TO SUPPORT THE CONSUMERS?

In case of insolvency of an authorized insurance company regulated and supervised by ASF, FGA supports the insurance creditors in order to receive payment of the indemnities and/or compensations due according to the insurance contracts concluded with the insurance undertaking. In essence, there is no need for the insurance creditors to go to Court, they only have to direct a payment request to the FGA, according to the Law no. 14 of the Law no. 213/2015 that sets a non-litigious procedure for the settlement of the claims brought forward by the insurance creditors. Further to analyzing the payment request, the Fund will issue a decision that, in case the claimant is not satisfied by the way the payment request has been settled (total or partial rejection of the payment request), may be appealed at the Bucharest Court of Appeal, in no more than 10 days from the date of communication.

WHY SHOULD I ADDRESS FGA?

The insurance creditors may request payments, according to the Law no. 213/2015, such as:

1. the amounts due to the insurance creditors to be paid by FGA for the premiums related to the unexpired period of the contract relating to voluntary insurance, in the event of termination of the insurance contract.
2. the compensations/indemnities due to insurance creditors according to the insurance contracts concluded with CERTASIG Asigurări Reasigurări S.A.

In the event of damages occurred prior to the ASF decision and for which it was opened a claim file to the insurer, but also in the situation of the occurrence in the future of the insured risks within the validity period of the insurance contract, between the date of withdrawal of the authorization and the date of denouncing the insurance contracts, the insureds/insurance beneficiaries/ injured persons may contact FGA.

WHEN SHOULD I CONTACT FGA?

From the moment the ASF Decision no. 209/20.02.2020 is published in the Romanian Official Journal Part I no. 156, February 26th 2020), regarding CERTASIG Asigurări Reasigurări S.A., but no later than 90 days from the date the final decision for winding-up proceedings, the insurance policies and the reinsurance contracts terminate by right and the insurance creditors may recover their premiums for the period in which the risk was not covered.

WHAT DOES A FINAL DECISION OF THE COURT MEAN?

The final decision is pronounced by the court after judging the appeal and becomes final at the date when the term for exercising the right of appeal expires, in case this right has not been exercised, or at the date when the decision is pronounced, after settling the appeal, in case this option was exercised.

ASF shall make public on its website (www.asfromania.ro) and on its Facebook page information on the time limits regarding the CERTASIG file.

WHAT TERMS SHOULD BE CONSIDERED?

Any person that sets forth a claim against the insurer following the occurrence of the risks covered by a valid insurance policy, between the date of withdrawal of the authorization and the date of denouncing the insurance contracts (terminating) the insurance contracts, may submit a request to the insurer regarding the opening of the claim file.

In no more than 30 days from the date the final decision regarding the opening of the winding up procedure is pronounced in Court, the insurer shall submit to FGA the complete records of the claim files in view of the publication of the potential insurance creditors list. The date will be published on the ASF website (www.asfromania.ro) and on the FGA website (www.fgaromania.ro).

FOR HOW LONG ARE THE INSURANCE CONTRACTS VALID?

The insurance contracts concluded with CERTASIG are valid until:

- the expiry date mentioned in the contract,
- the date mentioned in the contract in the situation of denouncing (terminating) the insurance contract by the policyholder, in case the denouncing notification was submitted to the company, prior to the opening of the winding-up procedures.
- The expiry of a 30 days term, after the receipt by the judicial liquidator of the denouncing request. The denouncing notification should be submitted to the judicial liquidator after the date of opening the winding-up proceedings.
- The date of rightful cease of the insurance policies, according to the insolvency legislation.

WHOM SHOULD I CONTACT IN CASE OF LOSSES?

According to the ASF Decision no. 209/20.02.2020 (art. 3 para. 2), between the date of withdrawal of the authorization and the date of denouncing the insurance contracts, any person who invokes a claim against the company CERTASIG, after the occurrence of risks covered by a valid policy insurance, may request the opening of the claim file to the insurer.

According to the Law no. 213/2015 (art. 12 para. 2), after the decision of the Court regarding the winding-up remains final, FGA will open the claim files and will take the necessary measures regarding the ascertainment, handling and approval of the claims at the request of any person invoking any claim against CERTASIG.
